

CPSC 4330 Multimedia Processing

Jiangjiang (Jane) Liu

NOTE:

Do not include student ID in any submissions.

Survey should be written in your own words.

Any course related-topic of your interest.

Survey

Write a survey (Microsoft WORD), presentation (Microsoft PowerPoint) and a video of your presentation based on the 3 Multimedia Processing (MP)-related conference papers focusing on one topic of your interest.

You can Search Conference Papers in Digital Libraries:

www.lamar.edu--> Library --> Database List -->

ACM Portal

IEEE Explore

Topics or other multimedia-related topics of your interest:

MP-related topics focusing on ML/AI/Cloud Computing/IoT/Deep Learning/Big Data

Conferences or other conferences of your interest:

- ACM Multimedia e.g. <https://2023.acmmm.org/program/>
- More conferences at <https://research.com/topconf/web-mobile-multimedia>

Survey: The survey should have the following information.

- **Title**
- **Introduction/Motivation**
- **Related work with brief overview of design, evaluation, and significant results for each paper.**
- **Conclusions and future work**
- **Reference**

Presentation PPT:

The presentation should include the following information related to your selected topic. Each paper has about 3 slides.

- **Introduction/Motivation**
- **Related work with brief overview of design, evaluation, and significant results for each paper.**
- **Conclusions and future work**
- **Reference**

Video:

The video should be about 10-15 minutes with a brief introduction of yourself and the presentation.

What to submit: Submit files one by one. Do not zip files.

- Survey (Word File with Reference)
- Survey Format (optional): Selected conference information, URL, and required conference paper format for authors.
- Presentation (PowerPoint File)
- Video (video.mp4)
- Papers (PDF files)

Requirement:

- All assignments should be typed in Microsoft WORD/PowerPoint file.
- Handwritten assignments will not be accepted.
- You should have a cover page with course code, student name, date, and instructor name.
